POST-DISASTER NEED ASSESSMENT

From theory to practice

GFDRR
Global Facility for Disaster Reduction and Recovery

Session Objectives

- Provide participants with an opportunity to clarify outstanding questions
- Invite PDNA and DRF practitioners to share real life examples
- Make the link between theory and practice

Question time

At your table:

- Reflect upon the learning outcomes, topics covered, exercises, etc of the past days.
- Identify as a group one key questions that you would like to discuss with your peers and trainers
- Write your questions clearly on a post-it.

Fishbowl discussion

Rules for discussion

- Only the fish inside the bowl are allowed to speak
- Everybody else has to “jump into” the fishbowl before making a comment or asking a question.
- You can jump into the fishbowl by walking up to a fish and gently tapping him/her on the shoulder.
- The fish then has to leave the bowl and you can his/her place.
