

ASEAN'S Experience on Enabling Collaboration for DRR

Presentation by the ASEAN Secretariat

Background

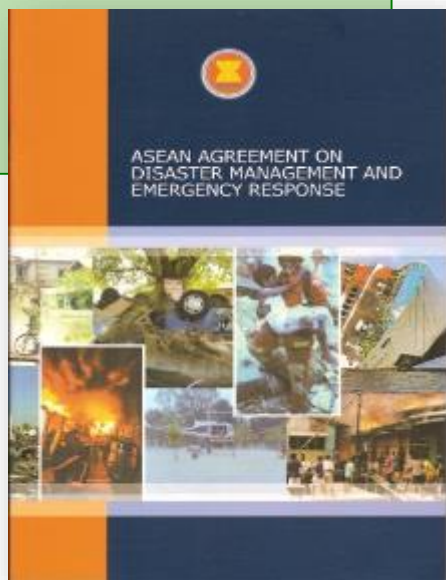

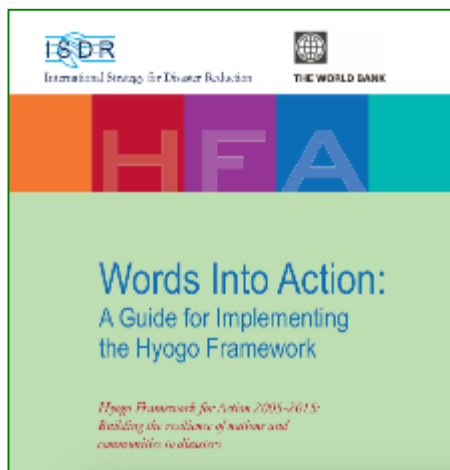

Established on **8 August 1967** in Bangkok, Thailand, with the signing of the ASEAN Declaration (Bangkok Declaration)

Population: 265+ million people
Land area: 4,435,618 sq. km.
GDP: US\$ 2.4 trillion or 3.3%
FDI: US\$ 122+ billion

Between 2004-2014, ASEAN region recorded more than 50% of the total global disaster fatalities

ASEAN Agreement on Disaster Management and Emergency Response (AADMER)

Signed in July 2005, ratified by all ten countries in ASEAN, entered into force on 24 December 2009

Objective: Reduce disaster losses in ASEAN region, and jointly respond to disaster emergencies

A legal framework for all responding to disasters within ASEAN Member States and serves as a **common platform** in ASEAN

ASEAN Coordinating Centre for Humanitarian Assistance (AHA Centre) as the operational coordination body and engine of AADMER

AADMER Work Programme 2016-2020

ACDM Working Groups

Risk Assessment
and Awareness

Prevention and
Mitigation

Preparedness
and Response

Recovery

Cambodia
Thailand
Lao PDR

The ACDM will continue to serve as the main driver in the implementation of AADMER, assisted by the 5 ACDM Working Groups, ASEAN Secretariat, AHA Centre as well as partners and stakeholders

| | |
|---------------------|---|
| ACDM | <ul style="list-style-type: none">• Provide leadership and guidance towards fulfilling the aims of AADMER• Oversee the overall implementation of AADMER Work Programme• Strengthen coordination with other relevant ASEAN bodies• Engage partners and stakeholders in the implementation of AADMER |
| ACDM Working Groups | <ul style="list-style-type: none">• Take the lead in the implementation of Priority Programme(s)• Determine the technical feasibility of proposals from partners• Engage partners at the technical level and ensure effective coordination |
| NDMOs | <ul style="list-style-type: none">• Oversee the implementation of Priority Programmes at the national and sub-national levels• Institutionalise and mainstream AADMER at national and local levels |
| ASEAN Secretariat | <ul style="list-style-type: none">• Provide policy coordination support to the ACDM• Assist the Working Groups in assessing proposals, and monitoring and evaluation of the outputs of the Priority Programmes• Liaise and maintain coordination with partners and implementing agencies |
| AHA Centre | <ul style="list-style-type: none">• Support AMS in coordinating ASEAN's collective response to disasters• Implement relevant components & outputs under the Priority Programmes• Provide capacity building support to AMS, liaise with technical partners |
| Partners | <ul style="list-style-type: none">• Work with ACDM to ensure that activities initiated by partners contribute directly to the Priority Programmes• Liaise with ACDM Working Groups through ASEAN Secretariat and AHA Centre in the implementation of the activities |

Institutional Arrangement

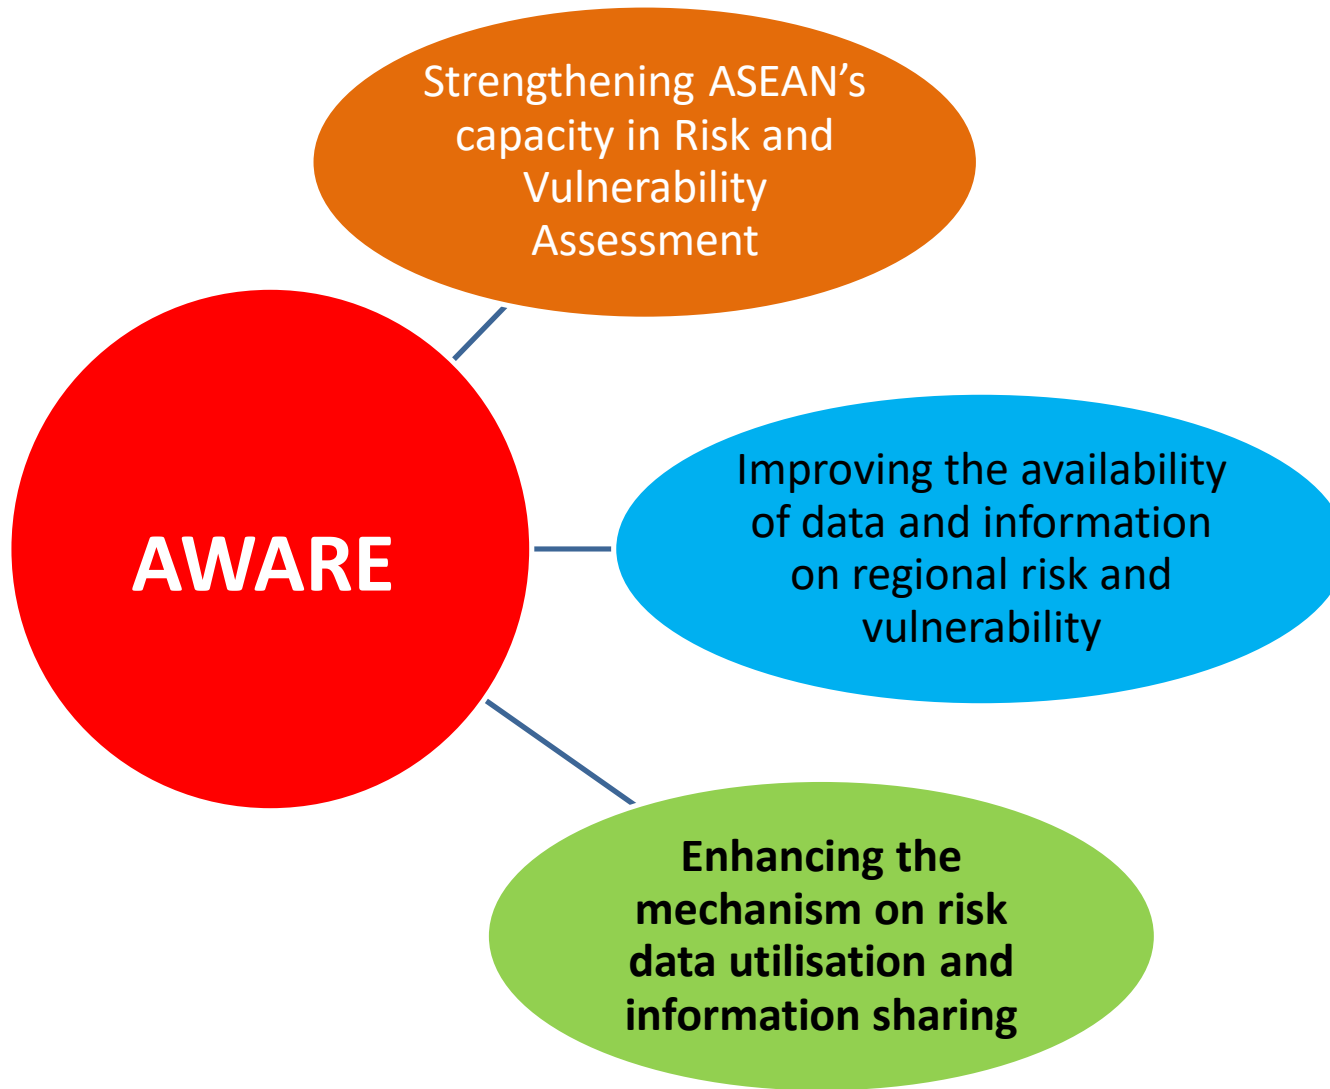

**Joint Task Force on Humanitarian Assistance and Disaster Relief (HADR) consists of ACDM as the Chair as well as Chairs & Incoming Chairs of ASEAN bodies in charge of Political, Defence, Health & Social Welfare*

*** TWG on CIMIC consists of ACDM WG on Preparedness & Response Co-Chairs and ADSOM WG Chair and Incoming Chair and HADR proponents from defence/military*

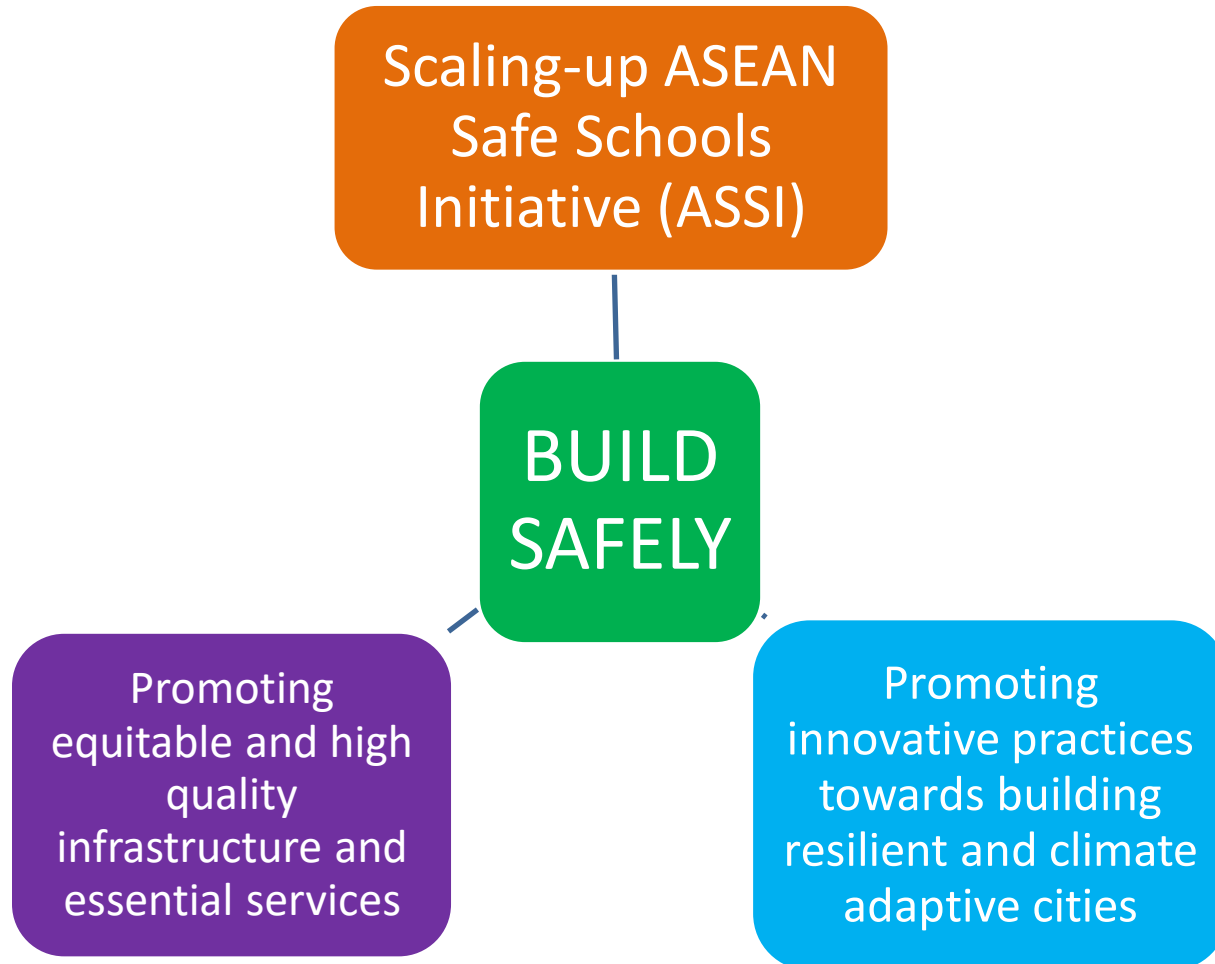

PP 1 (AWARE)

Risk Aware ASEAN Community

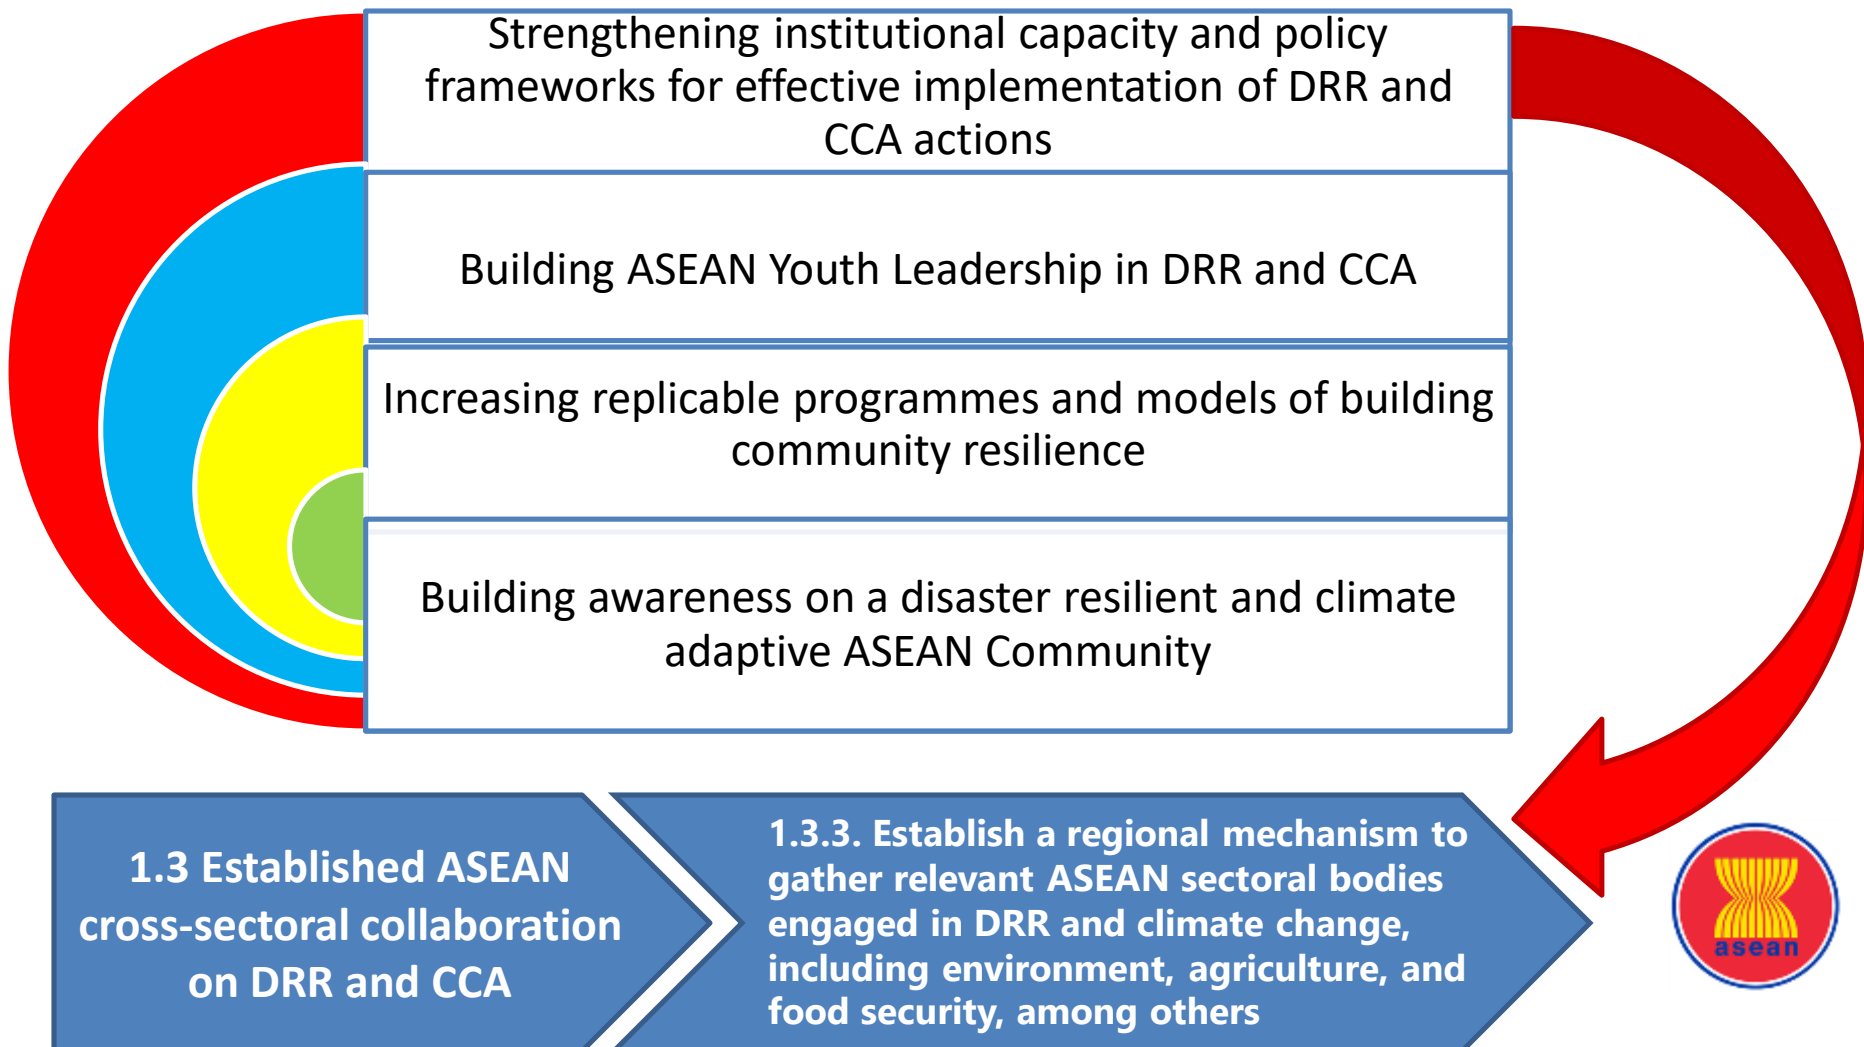

PP 2 (BUILD SAFELY)

Building Safe ASEAN Infrastructures & Essential Services

PP 3 (ADVANCE)

A Disaster Resilient and Climate Adaptive ASEAN Community

PP 4 (PROTECT)

Protecting Economic and Social Gains of ASEAN Community Integration through Risk Transfer and Social Protection

- Establishing Regional Risk Financing and Insurance Framework
- Enhancing access to finance for private sector, which includes SMEs, micro-enterprises, small holder producers
- Strengthening evidence-based policy analysis and strategies on the linkage between disaster management and the economy to contribute to a more deeply-integrated and highly-cohesive ASEAN economy
- Establishing resilient regional production and supply chains in ASEAN
- Enhancing the capacities of private sector companies in the region to position ASEAN as the production and service hub of humanitarian goods and services
- Ensuring social protection and establishing social safety nets in the context of disasters

PP 5 (RESPOND)

Transforming Mechanisms for ASEAN's Leadership in Response

Establishing the ASEAN Joint Disaster Response Plan (AJDRP)

Enhancing Civil-Military Coordination

Strengthening the role of SG as ASEAN Humanitarian Assistance Coordinator

Sustaining operations of AHA Centre

Maintaining the conduct of ASEAN Regional Disaster Simulation Exercise (ARDEX)

Enhancing the mobilisation of regional response

PP 6 (EQUIP)

Enhanced Capacities for One ASEAN One Response

Enhancing the implementation of Disaster
Emergency Logistic System of ASEAN (DELSA)

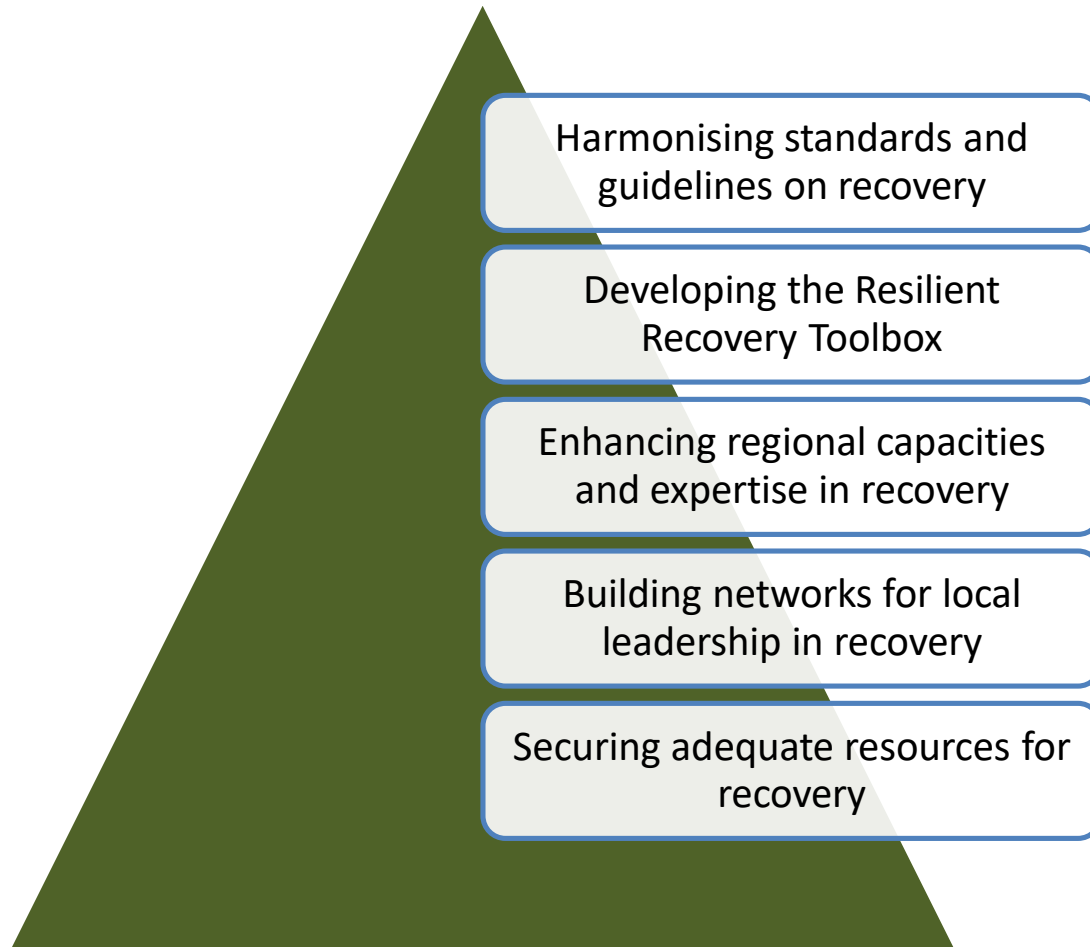

AHA CENTRE Executive (ACE) Programme

Enhancing the capacity of ASEAN Emergency
Response and Assessment Team (ASEAN-ERAT)

PP 7 (RECOVER)

ASEAN Resilient Recovery

PP 8 (LEAD)

ASEAN Leadership for Excellence and Innovation in Disaster Management

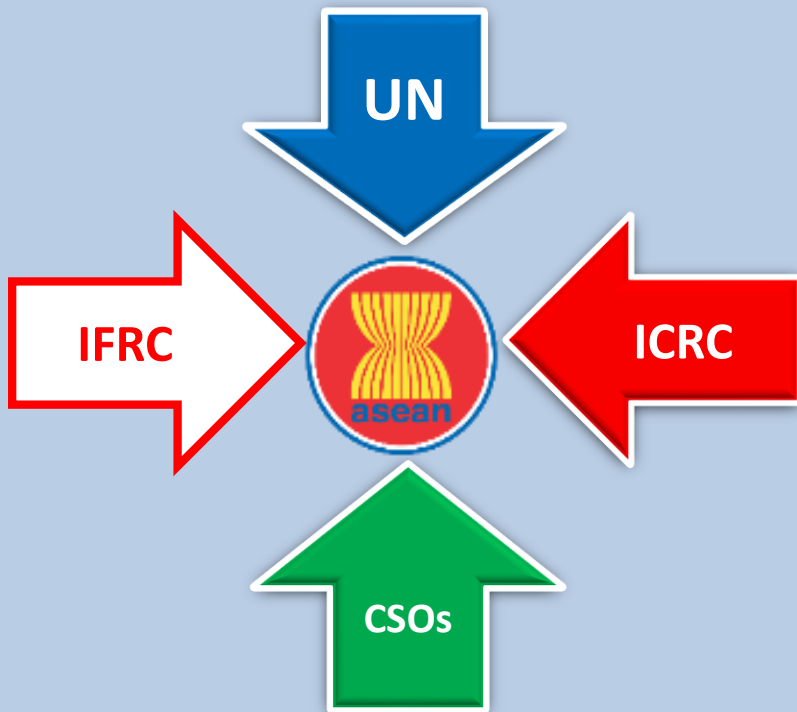

Establishing integrated
regional disaster
management
knowledge hub

Building
professionalism in
Disaster Management
through
standardisation and
certification

Creating innovations
that transform the
way disaster is
managed

Synergy with other Organizations

**ASEAN – UN Joint Strategic Plan
of Action on Disaster
Management**

**AADMER Partnership
Conference**

**ASEAN – IFRC Coalition for
Resilience**

**ASEAN – ICRC Platform on
Disaster Management**

**ASEAN – CSOs AADMER
Partnership Group**

Enhance the Role of Regional Organisations

Regional Organizations Humanitarian Action Network (ROHAN) Annual Meeting

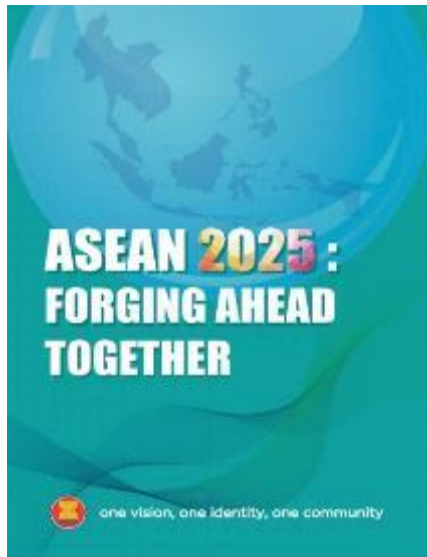

Key outcomes:

- Consolidate communications with ODI
- Communication channels for members
- Information sharing
- Knowledge exchange
- Annual meeting
- Outreach materials

ASEAN proactive role in supporting and implementing global agenda on DRR

Mapping exercise of possible complementarities between the ASEAN Vision 2025 and the SDGs including in the areas of “resilient” and “sustainable”.

Challenges & Lesson Learnt

- Limited financial support from partners
- Duplication of activities across different priority programme
- Regular monitoring & evaluation of the AADMER Work Programme
- Limited manpower in the NDMOs
- Coordination mechanism for cross-sectoral activities

Thank you
